Riding and driving

To be able to enjoy the riding you should be able to ride comfortably in all three gaits in an English saddle. This is an equestrian escape for everybody! dressage riders, jumpers or eventers as well as happy hackers 😊 If needed we will split the group in 2 to accommodate both more advanced and intermediate riders. The stables use a weight limit of 85 kg (188 lbs.). This trip is also suitable for capable teenage riders if accompanied by an adult.

We are aiming for two leisure trail rides with an intro in the arena to estimate your level. On one of the days we will have a driving lesson with our Friesian horses! We want to have fun and relaxed rides, enjoying nature and our equine partners. In the very unlikely event that there is an official weather warning (e.g. heavy thunderstorms) we will substitute the hacks with indoor riding & driving.

If you want to join in all the fun, but are not interested in the two rides we will make sure you can relax in a cozy atmosphere with a cup of coffee while the riders are out.

CHIO Rotterdam!

We are booking all-day tickets for Saturday June 21st

We will see the **FEI Nations Cup Dressage** in the most epic arena of the season. The world class competitors, venue, crowds and atmosphere make this a day to remember!

In the evening we attend the **Longines League of Nations Showjumping**: the best of the best will be here competing for the win.

Besides top sport CHIO Rotterdam is also known for the many exclusive vendors where great deals can be found, another opportunity to shop.

Clinics and demo's

This week is a great opportunity to learn! We have organized for several clinics and demo's: From a seat and posture lesson with the popular horse simulator "Joker" to auditing a world class demo or a visit to a famous international stable or stud farm. Learn about breeding and selecting Dutch warmbloods and Friesians with a hands-on clinic in judging conformation and movement.

Shopping!

The newly opened flagship "Hypostore" in Emmeloord is a wonderful stop on the way to one of the clinics. You can find the latest European Equestrian fashion here as well as a wide selection of tack and other horse necessities!

On Saturday there is plenty of time to browse the many boutique vendors during CHIO Rotterdam!

Sight-seeing and Dutch culture

Of course a visit to the Netherlands is not complete without some windmills, wooden shoes and cheese! We will visit the Zaanse Schans open air museum with its many windmills.

<https://www.dezaanseschans.nl/en/> It is located very close to the hotel and is a perfect time to shop for souvenirs and try some cheese. En route to the stables and clinics we will drive through picturesque villages and towns, of course stopping frequently for coffee, apple pie and lunch!

Food!

We will start with a welcome dinner in Zaandam on Tuesday night. The hotel has an excellent breakfast buffet for you to enjoy. Every day we have selected local restaurants for lunch and dinner, please send us your dietary restriction or allergies. Of course we will stop frequently for drinks, warm apple pie, a fresh stroopwafel or a cheese tasting.

Hotel

We have selected the Inntel hotel in Zaandam for your stay! Only 15 minutes from downtown Amsterdam this hotel had everything we are looking for: comfortable rooms, an excellent breakfast buffet, easy to reach for our daily equestrian activities and a pool!
